Mission Statement

Providing quality services for individuals and families in a safe, supportive, respectful partnership by promoting health, well-being, and self-sufficiency.

Vision Statement

To promote safety, well-being, and self-sufficiency for the individuals of Juneau County. We strive to do so by remaining open-minded to the ideas and suggestions of others; provide person-centered services in the least intrusive and least restrictive way possible; collaborate with our departments and community partners; to function with integrity in all matters, manage public resources responsibly; and acknowledge the values and beliefs of others in a courteous and respectful manner.

Behavioral
Health

Behavioral Health

The Behavioral Health Clinic provides mental health and alcohol and other drug abuse services to individuals of all ages.

Mental Health Services include

- Adult Psychiatry
- Comprehensive Community Services (CCS)
- Coordinated Services Team (CST)
- Couples and Family Counseling
- Initial Assessments
- Medication Management
- Nurse Case Management
- Outpatient Mental Health Counseling
- Psychiatric Evaluations
- Psychological Evaluations

Counseling services are available to all Juneau County residents. A sliding fee scale may be available to those without insurance coverage.

Chemical Dependency Counseling Services include

- Individual outpatient counseling for adults and adolescents.
- Assessments for adults and adolescents.
- Court ordered assessments.
- Educational services including speakers for public organizations and schools.
- Coordination of more intensive alcohol and other drug counseling services as needed.

Crisis Services

Day Time Crisis Mobile Response is a resource for community members to utilize when they are experiencing a crisis - a situation caused by an individual's apparent mental disorder which results in a high level of stress or anxiety and cannot be resolved by available coping skills.
